info@tricountymetals.com

Tri County Metals roll forms metal roofing from our Core Defender paint system®. Our Core Defender paint system® offers superior color stability, chalk resistance, fade resistance, and gloss retention. Weathering performance of our Core Defender paint system® is proven through extensive South Florida testing to be superior to standard silicone modified polyester finishes used throughout the metal construction industry.

valspar®

TSR % is the Total Solar Reflectance, the amount of heat reflected by the coated steel. Most colors available in 29 Gauge and 26 Gauge. Call for availability. Actual colors may vary from samples shown. Actual color chips available upon request.
